

## WELCOME TO THE RIDER BRIEFING ...

This is how the briefings on rallies begin. Normally. Anticipation of what is to come, the first scoping-out of the other participants, small talk. It is not unusual to meet travel companions. Or rivals. We have to give up this cherished ritual. The reasons are well known.

## WELCOME, THEN, TO THE DIGITAL RIDER BRIEFING FOR THE FIRST WUNDERLICH AUSFAHRT 2021 IN THE EIFEL!

We are looking forward to your participation and thank you for your nomination. In this briefing we want to inform you about how this moto rally works, how the special stages at the checkpoints work and - this is also part of it - we also want to inform you about the "rules of the game".

### LET'S GET TO KNOW EACH OTHER!

To ensure that communication between participants is not restricted too much, let's make reference right at the beginning to our Facebook group named [Wunderlich Ausfahrt](https://www.facebook.com/groups/wunderlich.ausfahrt). Here all participants can get to know each other around the Wunderlich Ausfahrt 2021 in the Eifel as well as share their personal photos, experiences and anecdotes about the rally. If you get lost on the route or have another question, helpful tips can be exchanged here. Only the shortcuts are not revealed here! All interested parties are welcome to join us!

### FOR ANY QUESTIONS

If you have questions or need any further information, we are available from Monday to Friday from 9.00 a.m. on +49 (0)2641-3082-730 or [event@wunderlich.de](mailto:event@wunderlich.de). We are looking forward to your participation!

### YOUR STARTER PACKAGE

You have received your chosen starter package and your access data for your rally base. In the starter package you will find your start number, which you should attach to your motorbike so that it is clearly visible (see also Rules of the game). The rally pass that you also received should be with you during the rally, because the start number or rally pass are a prerequisite for the checkpoints. For the photos you take at the checkpoints, you need a smartphone or a digital camera. Your photos must show either your motorbike or your rally pass and, of course, the motif of the respective checkpoint. But more about that later.

Both the start number and the rally pass are equipped with an NFC chip that contains the link to log in to your rally base. By placing an NFC-enabled smartphone on your start number or pass, you can directly access the login of your rally base, e.g. to upload your pictures. More on that later, too. Instructions on how to use the NFC chip are included in the package with the start number and rally pass.

Another hint: A finder function is integrated into the rally pass. Instructions for this are also included in the package for you.

## ON A CLASS TRIP. OUR CLASSIFICATION CLASSES

We start in different classes. The classification depends on the rally motorbike that you have entered for the Wunderlich Ausfahrt. There are seven classes in total, six for BMWs and one open-brand class.

The classes in detail:

1. BMW R-Class
2. BMW F-Class
3. BMW S-Class
4. BMW K-Class
5. BMW G-Class
6. BMW C-Class
7. Open class (for other motorbike brands)

## CHECKPOINTS. WHAT'S THAT?

Both tours are peppered with 11 checkpoints each. Apart from the fact that these waymarks mark places in the Eifel that are worth seeing, the scoring takes place at precisely these checkpoints. The connecting stages are only recommended by us. Of course, you can choose your route profile at will. calimoto offers many options for this. It is important to ride to the checkpoints in order to be scored for the Wunderlich Ausfahrt.

## YOU CAN'T DO IT WITHOUT RULES. THE EVALUATION REQUIREMENTS

To participate in the scoring, we ask you to take photos at or from the checkpoints. You can ride directly to most of the checkpoints, but this is not possible at some of them.

Please note the following four requirements so that your checkpoint photo can take part in the evaluation!

1. Your motorbike with your start number and/or your rally pass must be recognisable on the photo.
2. Your start number must be legible
3. The photo must be uploaded to your rally base
4. We ask you to follow rules and laws when taking photographs

There is one more important point: Be sure to be creative when taking pictures, because the most creative pictures have the greatest chance of winning!

## THE HIGHLIGHT – CASHBACK AT HALF-TIME!

Don't miss it: If you have chosen the Discoverer, Rally or Exclusive starter packages, the 50% cashback is waiting for you! As soon as you have uploaded the first 11 photos and they meet the evaluation requirements, you will receive a voucher for half of the respective package price! You can choose freely from the checkpoint photos of both tours.

The Basic package and all sponsored packages are excluded from the cashback.

## SCORING. CLASS WINNER AND OVERALL WINNER

You can take part in the class ranking if you have completed the following by midnight on 30 September 2021 at the latest.

- Uploaded all 22 photos that meet the scoring requirements from all checkpoints in your rally base.
- and
- Nominated your favourite photo in your rally base

The seven class winners will be chosen from all eligible nominated photos in an open vote. Here we also award prizes to the second and third place winners.

The 7 photos of the class winners are automatically nominated for the open vote to choose the overall winner.

## PRIZES, PRIZES, PRIZES

So in addition to your cashback voucher, you can win the following prizes as part of the Wunderlich Ausfahrt:

- 1st class prize: € 250.00 Wunderlich voucher
- 2nd class prize: € 100.00 Wunderlich voucher
- 3rd class prize: € 50.00 Wunderlich voucher

The overall winner will receive a € 500.00 Wunderlich voucher!

## THERE IS NO WAY AROUND THIS: CAFÉ FAHRTWIND

We don't want to give too much away at this point. Directly on the Ahr, not far from Hönningen, between Altenahr and Adenau, there is a meeting point popular among motorcyclists which is also the checkpoint for our rally. We recommend that you definitely take a look at the menu there ...

If the café is closed, no one has to go hungry, there will definitely be cake from the self-service counter!

## FAIR PLAY – CONSIDERATION AND RESPECT

We want you and all other participants to have fun at the first Wunderlich Ausfahrt, therefore we ask you to be sportsmanlike with each other. Please pay attention to road safety, the technical condition of the motorbike and adequate protective clothing. During the Wunderlich Ausfahrt, we also ask you to be considerate and respectful of the people who live in the Eifel region.

## THANKS TO THE PARTNERS

We would like to take this opportunity to say a big thank you to our partners who are supporting the Wunderlich Ausfahrt!
